## Bicycle Parking Agreement

I understand that parking is at my sole risk and that WS Asset Management, Inc., Seaport L-4 Title Holder LLC, and their affiliates, successors and assigns assume no liability for the bicycle while in the garage. I further understand I must park my bicycle only in the designated area for bicycles.

I acknowledge that this privilege may be revoked at any time.

Based on the above understanding, I accept bicycle parking for the garage at 111 Harbor Way.
